**SF 30's**

From Dave Few, IB vs OB J 29's:

A discussion was held on the IB vs OB version of the J 29's. After reviewing the 2 versions of the boat, it was determined that there does not need to be a rating difference between the 2 versions. The OB boats sail with a J length pole & small spinnaker while the IB boats sail with an OSP & big spinnaker. This difference in sailing configurations levels the boats performance and it does not need to be addressed by a change in rating. Also, after reviewing all the J 29's there appears to be only one J 29 actively racing at this time.
