V. **APPEALS:**

OWNER NAME	BOAT NAME	CLASS/MODEL
Simon Phillips	Astra	Farr 400
<p>The PHRF Committee reviewed the appeal information submitted for the Farr 400. They discussed the boat's performance compared to similar type boats and reviewed race results. The base rating for the Farr 400 ODR was previously set at -18. The committee decided to change the base rating for the Farr 400 ODR to -12. As Sailed: -12 DW Rating: 478</p>		
OWNER NAME	BOAT NAME	CLASS/MODEL
Reuben Rocci	Swift Ness	J 111
<p>The PHRF Committee reviewed the follow up appeal for the J11 rating. Included in the appeal was information about the crew, but PHRF doesn't handicap crew, just boat potential, therefore that information cannot be used when considering ratings. VPP information was also provided, but VPPs are just predictions, not data the PHRF Committee uses when looking at a boat's rating. Also, the appeal mentioned the possibility of giving the boat a separate rating from the class rating, that would apply to that boat only. The committee cannot give individual boats their own ratings when it is a class boat. After reviewing all the information provided, and discussing the boat's performance, the committee decided to deny the appeal. The J111 base rating remains 36. As Sailed: 36 DW Rating: 554</p>		

IV. **FROM THE OFFICE/RATINGS TO BE REVIEWED:** none

OWNER NAME	BOAT NAME	CLASS/MODEL
<p>A discussion was held about updating the Rules & Guidelines to clarify that crew experience is not considered when determining ratings. New wording was also discussed regarding custom ratings and when they will be assigned. Laura will update the Rules & Guidelines and send to the committee to review.</p>
